2011 SCHOLARSHIP GUIDELINES AND PROGRAM

PURPOSE:

The Houston Air Cargo Association is made up of the vast number of member employees supporting our industry; i.e. the Airlines and Airline related Handlers, the Airport Authority, Forwarders, Brokers, Packers, Truckers, Advertisers, Development Companies, Hotels, Educators, Chamber of Commerce and Banks, to name a few. These companies serve Houston Intercontinental Airport as well as Hobby and our surrounding airports.

The Scholarship Program is designed to help member families raise money for dependent's college education. The association, recognizing a continuing need, has endeavored to raise money for students interested in attending college, but finding barriers to funding said education.

These scholarships are intended to assist students in the pursuit of careers in international business, transportation, trade or banking. **By funding students in these fields, we help ourselves and future members continue the dream of a college education, with a rewarding and challenging career.** An independent panel of impartial judges will award the scholarships.

The 1st Place Recipient for the Scholarship will win ***The Herb Winter Scholarship Award***
